

assisted unit in an independent living complex as an additional project assistance payment. The PAC will provide that the Borrower will make this payment on behalf of HUD. Funds will be paid to the Borrower in trust solely for the purpose of making the additional payment. The Borrower may pay the utility reimbursement jointly to the family and the utility company, or, if the family and utility company consent, directly to the utility company.

§ 891.710 Term of PAC.

The term of the PAC shall be 20 years. If the project is completed in stages, the term of the PAC for each stage shall be 20 years. The term of the PAC for stages of a project shall not exceed 22 years.

§ 891.715 Maximum annual commitment and project account.

(a) *Maximum annual commitment.* The maximum annual amount that may be committed under the PAC is the total of the initial contract rents and utility allowances for all assisted units in the project.

(b) *Project account.* (1) HUD will establish and maintain a specifically identified and segregated project account for each project. The project account will be established out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the PAC each year. HUD will make payments from this account for project assistance payments as needed to cover increases in contract rents or decreases in tenant income and other payments for costs specifically approved by the Secretary.

(2) If the HUD-approved estimate of required annual payments under the PAC for a fiscal year exceeds the maximum annual commitment for that fiscal year plus the current balance in the project account, HUD will, within a reasonable time, take such steps authorized by section 202(h)(4)(A) of the Housing Act of 1959, as may be necessary, to assure that payments under the PAC will be adequate to cover increases in contract rents and decreases in tenant income.

§ 891.720 Leasing to eligible families.

(a) *Availability of assisted units for occupancy by eligible families.* During the term of the PAC, a Borrower shall make all units (or residential spaces in a group home) available for eligible families. For purposes of this section, making units or residential spaces available for occupancy by eligible families means that the Borrower:

(1) Is conducting marketing in accordance with § 891.740(a);

(2) Has leased or is making good faith efforts to lease the units or residential spaces to eligible and otherwise acceptable families, including taking all feasible actions to fill vacancies by renting to such families; and (3) Has not rejected any such applicant family except for reasons acceptable to HUD. If the Borrower is temporarily unable to lease all units or residential spaces to eligible families, one or more units or residential spaces may, with the prior approval of HUD, be leased to otherwise eligible families that do not meet the income requirements of part 813 of this chapter, as modified by § 891.505. Failure on the part of the Borrower to comply with these requirements is a violation of the PAC and grounds for all available legal remedies, including an action for specific performance of the PAC, suspension or debarment from HUD programs, and reduction of the number of units (or in the case of group homes, reduction of the number of residential spaces) under the PAC as set forth in paragraph (b) of this section.

(b) *Reduction of number of units covered by the PAC.* HUD may reduce the number of units (or in the case of group homes, the number of residential spaces) covered by the PAC to the number of units or residential spaces available for occupancy by eligible families if:

(1) The Borrower fails to comply with the requirements of paragraph (a) of this section; or

(2) Notwithstanding any prior approval by HUD, HUD determines that the inability to lease units or residential spaces to eligible families is not a temporary problem.

(c) *Restoration.* HUD will agree to an amendment of the PAC to provide for

subsequent restoration of any reduction made under paragraph (b) of this section if:

(1) HUD determines that the restoration is justified by demand;

(2) The Borrower otherwise has a record of compliance with the Borrower's obligations under the PAC; and

(3) Contract and budget authority is available.

(d) *Occupancy by families that are not handicapped.* HUD may relieve the Borrower of the requirement that all units in the project (or residential spaces in a group home) must be leased to handicapped families if:

(1) The Borrower has made reasonable efforts to lease to eligible families;

(2) The Borrower has been granted HUD approval under paragraph (a) of this section; and

(3) The Borrower is temporarily unable to achieve or maintain a level of occupancy sufficient to prevent financial default and foreclosure under the Section 202 loan documents. HUD approval under this paragraph will be of limited duration. HUD may impose terms and conditions to this approval that are consistent with program objectives and necessary to protect its interest in the Section 202 loan.

§ 891.725 PAC administration.

HUD is responsible for the administration of the PAC.

§ 891.730 Default by Borrower.

(a) *PAC provisions.* The PAC will provide:

(1) That if HUD determines that the Borrower is in default under the PAC, HUD will notify the Borrower of the actions required to be taken to cure the default and of the remedies to be applied by HUD, including an action for specific performance under the PAC, reduction or suspension of project assistance payment and recovery of overpayments, as appropriate; and

(2) That if the Borrower fails to cure the default, HUD has the right to terminate the PAC or to take other corrective action.

(b) *Loan provisions.* Additional provisions governing default under the Section 202 loan are included in the regu-

latory agreement and other loan documents.

§ 891.735 Notice upon PAC expiration.

The PAC will provide that the Borrower will, at least 90 days before the end of the PAC contract term, notify each family occupying an assisted unit (or residential space in a group home) of any increase in the amount the family will be required to pay as rent as a result of the expiration. The notice of expiration will contain such information and will be served in such manner as HUD may prescribe.

§ 891.740 Responsibilities of Borrower.

(a) *Marketing.* (1) The Borrower must commence and continue diligent marketing activities not later than 90 days before the anticipated date of availability for occupancy of the group home or the anticipated date of availability of the first unit in an independent living complex. Market activities shall include the provision of notices of the availability of housing under the program to operators of temporary housing for the homeless in the same housing market.

(2) Marketing must be done in accordance with the HUD-approved affirmative fair housing marketing plan and all fair housing and equal opportunity requirements. The purpose of the plan and requirements is to achieve a condition in which eligible families of similar income levels in the same housing market have a like range of housing choices available to them regardless of their race, color, creed, religion, sex, or national origin.

(3) At the time of PAC execution, the Borrower must submit to HUD a list of leased and unleased assisted units (or in the case of a group home, leased and unleased residential spaces) with a justification for the unleased units or residential spaces, in order to qualify for vacancy payments for the unleased units or residential spaces.

(b) *Management and maintenance.* The responsibilities of the Borrower with regard to management and maintenance are provided in § 891.600(b).

(c) *Contracting for services.* The responsibilities of the Borrower with regard to contracting for services are provided in § 891.600(c).
